### Slow Play

If there is a clear hole in front of you, you must allow the game behind to play through. 2 balls have priority over 3 and 4 balls. If play is moving slowly please allow any 2 balls through.

If you are looking for your ball or lost your ball please let the game behind you go through.

### Longest Drive

We would suggest the 11<sup>th</sup> as this is a nice straight drive down the fairway suitable for all levels of golfer. We will provide the markers for this.

### Nearest the Pin

We suggest the 4<sup>th</sup> as this is the easiest Par 3 and you can see the green from the tee. Also suitable for all levels of golfer. We will provide the markers for this.

Our staff are here to make sure your day is enjoyable, please do not hesitate to ask any member of staff if you have any requirements.
