

Hampshire Golf Club

Ladies Beginner/Newcomer Series

The Beginners/Newcomers Series commenced on Saturday 12th March. During these sessions they played the course accompanied by a volunteer from the Ladies Section who introduced them to the rules and etiquette of the game, while offering friendly advise and golfing tips.

On Saturday morning, the 11th May in beautiful sunshine and almost perfect playing conditions, the Hampshire Golf Club saw 10 of our lady beginners/newcomers embark on the final part of the Series by playing in their first competition on the Academy Course.

Ten ladies teed off in pairs and all did well to play the full front nine of the course for the first time in the Series.

All participants received a Certificate of Participation and a set of Score Counter Beads, courtesy of the Lady Captain. There were also prizes for the Winner of the competition, Julie Shaw, and the Runner-Up, Shelby Gove.

Winner Julie Shaw

Runner Up Shelby Gove

All the beginners have joined the Hampshire Golf Club and are now full, non-handicap members of the Ladies Section.

The Ladies Section will be playing with and helping our new members get their handicaps and become fully integrated into the club and will soon be able to join in all the competitions run by the Section and the Club.

As part of the further development of these members there will be a Roll Up on Friday evenings and Saturday mornings throughout the summer months, on both the Academy Course and the Manor Course, to encourage them to continue playing and improving, in a friendly, fun atmosphere.

Friday Roll-Ups commence 4.00pm 31st May
Saturday Roll-Ups commence 9.00am 1st June

I would like to thank the many lady volunteers who gave their time and experience to help on the various Saturdays of the Series.

For further information on the next Beginners Series please contact the Lady Captain – Maria Clements at slimway@ymail.com or the Hampshire Golf Club Pro Shop.
