

2019 Golf Swappers Competition

On the 25th June, the Ladies Golf Swappers competition, was held at the Hampshire Golf Club. The event had originally been postponed due to heavy rain, and although there had been a thunderstorm weather warning for the day, it happily did not materialise. The early morning rain cleared and the day remained dry, though humid, for the competition.

The Golf Swappers is a Mixed Pairs Greensomes competition and a fun and challenging format. The Lady Captain, Maria Clements, had managed to recruit eighteen pairs to play, the ladies, Ron Webb and Julia Shaw, Section, were asked to play although neither off a provisional handicap of 42 – they

seen here checking cards, a total of 36 players. Two of newcomers to the Ladies had a handicap and played both played very well!!!!

Alan Dixon, Seniors section, had displayed the Order of Play on the bar television for all players to see their tee time and combined handicap. Play commenced at 9.16 in groups of four and battle commenced. As players completed their round Alan, help of the Lady Captain recorded the results - Alan forgot making the entries rather interesting at times and rather the players viewing the TV screen. Competitors were able the leader board change with each set of results being Alan. This generated a huge amount of interest.
