

LADIES CREAM TEA TEXAS SCRAMBLE

The Cream Tea Texas Scramble was played on Friday 11th October. The ladies used the front and back nine in order to play this late afternoon competition over 9 holes only. This was a competition organised to allow both the ladies who work full time and our regular non-working ladies to play together in a sociable and fun event. Using this format meant we were able to field 24 players. The weather was kind in that it didn't rain but winds were high. After the competition the ladies enjoyed a cream tea and the winners were presented with some lovely prizes. The general consensus of opinion among the ladies was it is an event that needs to be repeated.

Front Nine Winners Left to Right
