

Swappers 2020

16 Ladies and Seniors played the annual 'Swappers' challenge match. Partners were selected randomly and some interesting pairings resulted. We all started out in a fine drizzle, but the weather improved as the day went on and by the time we finished, it was very warm, sunny and dry. Most players stayed for a drink afterwards and sat on the grass, socially distanced, of course.

We all got used to the discipline of only picking up our own ball quite quickly.

Everybody seemed to enjoy the day and we all met some new players, which is the purpose of these social events. Some excellent scores were recorded and the results are summarised on the attached sheet.

The winners were:

1 st	Avril Blake and Richard Hale with a gross score of 85 net 64	
2 nd	Louise Hughes and Eddie O'Mara	87 net 66
Tied 3 rd	Lori Channon and Bob Houghton	87 net 67
with	Hayley Holden and Nicol McGregor	95 net 67

Barry Thorne presented the trophy to the winning pair.

We hope we will be able to play this in more normal circumstances next year, when we will pay an entry fee and award prizes to all of the winners.

Thank you to you all for supporting the day.
