

Guys and Dolls 2020

On a beautiful day eighteen Guys and eighteen Dolls took to the course for the annual challenge for the Guys and Dolls trophy. The format was 4BBB, and the Guys fielded an extremely strong team.

Pairings and the order of play were decided by the team captain for each side, so we did not know who we would be playing against until the day before. As in previous years, the ladies received two shots for the difference in SSS for the yellow and red tees and the usual 'friendly' banter took place over the 15th hole.

There were some very competitive matches played, with standout performances for the ladies, by Lesley and Louise, Jane H and Jan, and Sally and Jay. All three pairs won their matches against very strong opposition. Unfortunately, the remaining six pairs lost. Several of the matches were very close with Lori and Molly only losing on the 18th. So the outcome was the Guys retaining the trophy and the Dolls picking up the bill for the engraving on it.

Because of the current situation we were not allowed to have a presentation but a few people sat outside and had a drink afterwards.

So we can look forward to next year when hopefully the results will go our way and we can wrestle the trophy from the Guys' grip!
