

## 2025 SUMMER ECLECTIC

*This summer, The Hampshire Golf Club is proud to host our **Summer Eclectic Golf Competition** – and this year, it's personal.*

*We're playing in support of **Rick Webb**, a 38-year-old former British Army veteran and below-knee amputee, who found hope and healing in the game of golf after injury in Afghanistan. Rick is now a passionate, self-funded golfer competing across Europe and aiming to go pro.*

*"I want to show my kids, and others, that regardless of your limitations, you really can achieve anything." – Rick Webb*

*Your participation in the Summer Eclectic directly supports Rick's journey and brings our golfing community together for a meaningful cause.*

Let's show Rick what this club is all about just like we did last year for Barry (may he eternally rest in peace)

 **Play to win. Play with purpose.**
